

# CITY OF MIDLAND “AT YOUR SERVICE”

June 2014

## We Have a New Website!

The City of Midland recently revamped our primary online source for information on City services, programs, and events. The new site offers many new bells and whistles that make it easier and quicker to interact with your municipality and find information on key City programs and services.

So, what's different about the new site?

### New Web Address

First things first... to better define who we are, we've changed our web address from [midland-mi.org](http://midland-mi.org) to [CityofMidlandMI.gov](http://CityofMidlandMI.gov). If you have bookmarked pages on the old site, don't worry... we'll redirect from the old to the new site until visitors have some time to get used to the new address.

### Design

The site has a new look and feel that's fresh and inviting. But behind the visuals is a more interactive and information-packed site.

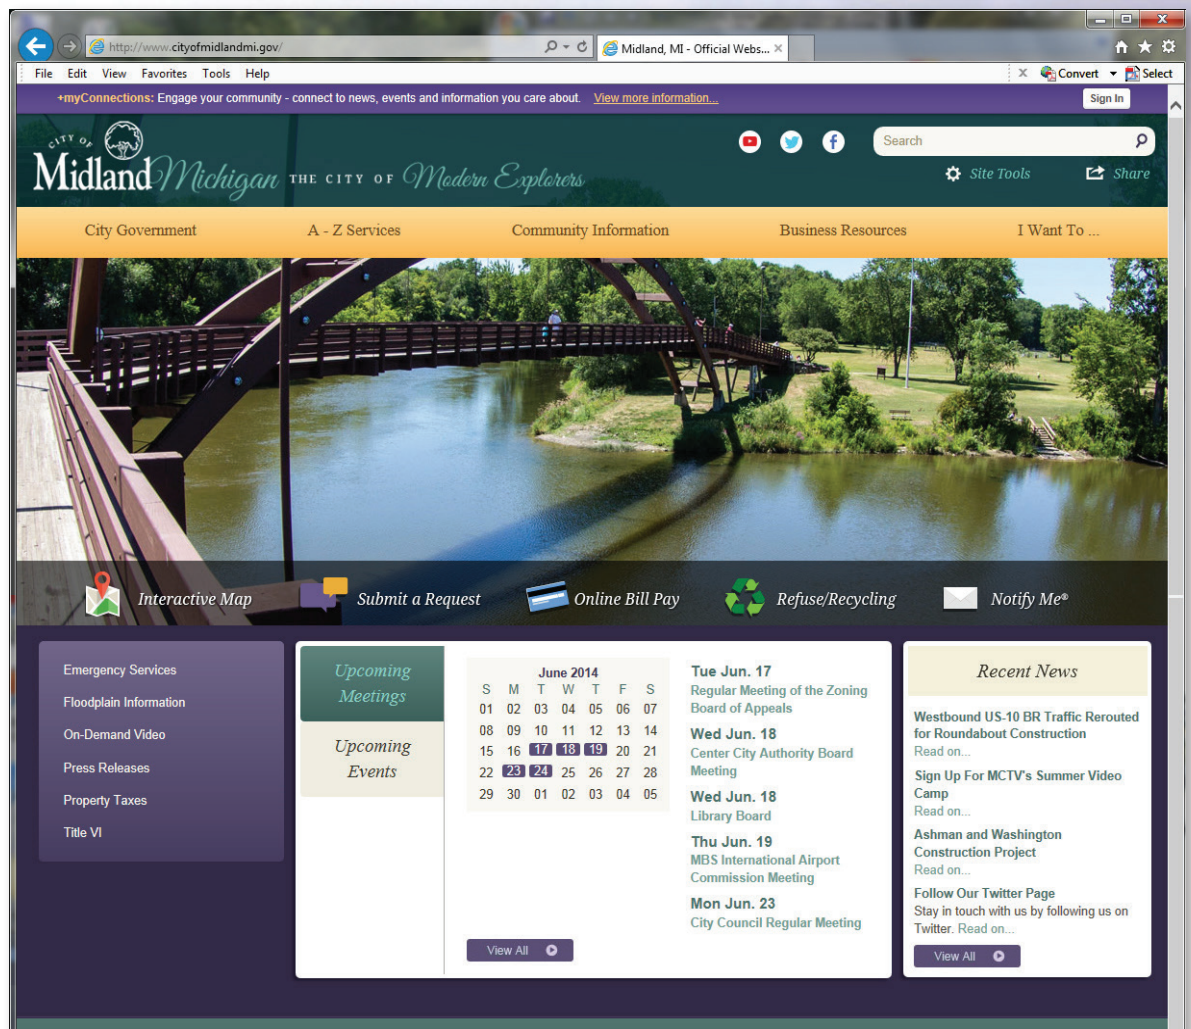

Here are just a few changes:

### Navigation

#### Getting Around the Site

Our main navigation bar makes it easier to find what you're looking for:

- A City Government dropdown menu leads to info on City Council, boards and commissions, and City departments.
- A to Z Services gives you an alphabetical listing of a variety of services.
- Community Information provides facts about Midland and special City offerings.
- Business Resources lists just some of the aids that help grow our community.
- The “I Want To” menu categorizes some commonly accessed information.
